

Opportunity Cost

Bebe has a choice to make: she can join Captain Cook and go south, or head west and work on a steamboat.

If Bebe chooses to go south, what is her opportunity cost?

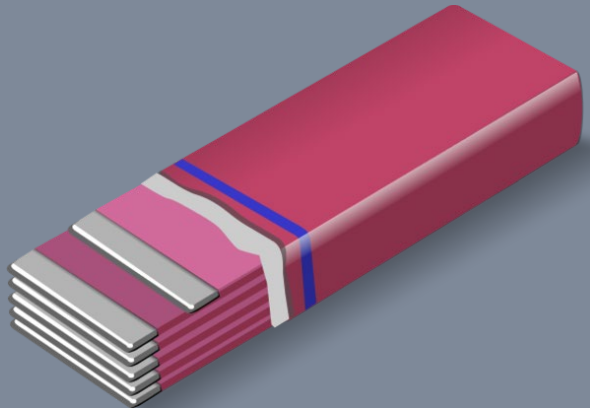

If Bebe chooses to go west, what is her opportunity cost?

Your teacher announces that you have five minutes of recess left. You only have time to swing or go down the slide.

Which one will you choose?

At the dentist, the
hygienist asks if you
want mint or bubble
gum flavored
toothpaste.

Which one will you
choose?

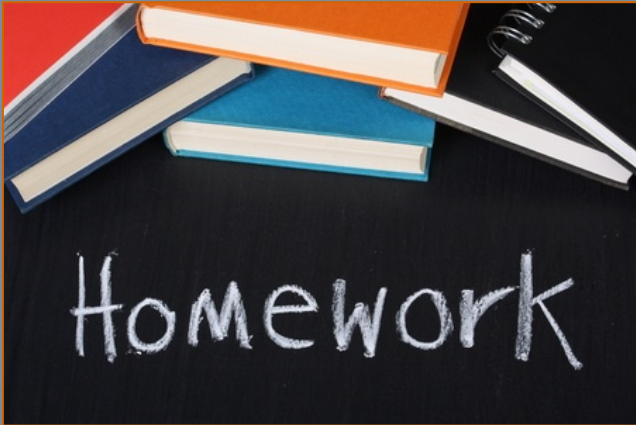

You are reaching the end of the last row in your garden. You only have space for one more vegetable, but you have tomato and okra seedlings ready to plant. Which one will you put in your garden?

After getting your flu shot, the nurse gives you a choice between a plain BandAid and a Hello Kitty BandAid. Which one will you choose?

Your mom has given you \$1 to spend in the candy vending machine. The only items left are Snickers and Twix. Which one will you choose, since each candy bar costs \$1?

After school, your friend asks you to ride bikes, but you know you have a lot of homework to do before bedtime.

Which activity will you choose?

It is school picture day, and you must decide what to wear. You have a dinosaur hoodie that would look great in the picture, but you also have a dinosaur shirt that would be more comfortable. Which one do you wear?

Your dad says that you and your siblings can pick a movie to watch on Friday night after dinner. You want to watch a new movie, but your brother wants to re-watch something he knows he will like. Which do you choose?

You are at the store, looking at art supplies, because your mom has agreed to buy you a new set of markers to replace your dried-out set at home. While there, you see some fancy colored pencils. Your mom says that you can get either the markers or the pencils. Which one do you choose?

On your birthday, your family says that you can pick the menu for dinner. You would like to have tacos, but you know that if you order pizza instead, there will be leftovers that you can eat for lunch the next day. Which meal do you choose to have?
